Simpson regained second on lap 5 but Chick retook the position three laps later and to hold onto the chequered flag. Wilson to fourth on lap 5 maintaining the position until the flag. Steven Allan got the better of Paterson near the end of the ten lapper to take fifth with the latter sixth.

Juniors

In the Junior Max Class there was a thrilling and hotly contested race for the victory between Grant Cheesewright and Jack Williams. Cheesewright led from the lights with Williams close on his tail. Williams made several attempts to go through to the lead but Cheesewright maintained his ground. That was until the last lap at Kevin's Korner where Williams was able to slip to the inside. Cheesewright tried a wide outside line at the pit corner but ran wide allowing Williams to take the victory. Bibi Aldrick took third and Adrian Brodie fourth. In the Mini Max Class victory went to Darren Brodie with Brandon Walker taking second and Frazer Huntley third

Senior Max

The lights went green and entering the MTM bend there were three wide. Stuart Wyness had got on the inside of pole-man Gordon Hawton with Michael Christie on the outside. Hawton got round the corner first followed by Wyness and Christie. Christie ran wide onto the grass and lost position. Hawton and Wyness drew away from the field. Hawton went on to win with Wyness a close second. Ben Underwood had taken up third but David Barrack gained the position on lap three. Johnathon King had held onto fifth in the early part of the final but lost the position to Kris Adams and Neil Ferguson. On lap 7 incident on the straight caused Underwood and Ferguson to spin out. This allowed Adams home in fourth with King fifth and Richard Johnstone sixth.
